

Old Field Club 2023 Tennis Program

Welcome to The Old Field Club Tennis Program!

The Old Field Club is a private beach and tennis club on the North Shore of Long Island. Built in 1929 by Ward Melville as a swim club for local residents, OFC has evolved into the premier club of Suffolk County.

Our beautiful tennis facility features 6 clay courts and 1 hard court, all pristinely maintained by our amazing staff. We offer a totally unique experience with on-site catering, and special events. Join today to be part of our thriving tennis community!

As a tennis member, you'll enjoy the following:

- Full access to the tennis facilities at OFC. You may participate in private lessons, clinics, ladders, interclub matches, social events, leagues and end of the season tournaments.
- The OFC tennis courts are open and staffed from May 1st through October 31st, weather permitting.
- Thursday and Friday night dinners at the main clubhouse during the winter months and other special events throughout the year by invitation.
- Designated account numbers allowing for tennis, clubhouse, and OFC apparel charges.
